I'm just a very normal high school student I'm not especially good in sports, neather do I excel in my studies

But due to an incident, I am no longer normal

While I was returning home from school as usual, I heard a girl's screams
1年前
That incident was...
One Year Ago...
And there, I saw...
Even though I was scared, I was somehow pulled towards the screams...
Hey hey what's wrong!!

To be honest at first I thought either they were filming some hero show or I was the one dreaming
But, something was not right Her pure eyes I can feel some sort of destiny in them
Kekeke How dare you to interupt us every single time
Today is the day we pay you back!
Take this!!
Uuaaa!!

Seized by fear, I can only hide there and watch.
Ke! Serves you right! Time to finish you off...!!
Wha, what...!? There's a lot of the small ones!?
